

FOR OFFICIAL USE ONLY  
DIRECTOR OF CENTRAL INTELLIGENCE  
**Security Committee**

 SECOM-D-059

27 February 1985

**MEMORANDUM FOR:** SECOM Members  
Personnel Security Subcommittee Members

STAT FROM: [redacted]  
Chairman  
SUBJECT: Behavioral Science/Personnel Security Symposium #3

1. Plans are continuing for our third Symposium on 25-26 March 1985. A copy of the tentative schedule is attached for your information. The speakers are confirmed, but some adjustments may be needed in presentation times.
  2. The Symposium again will be held in Room 1-A-06 at the CIA Headquarters Building with accommodations similar to those for the previous programs. Parking remains a critical problem, so car pools and shuttle bus service should be used to the extent possible.
  3. The Personnel Security Subcommittee members have been asked to nominate approximately three attendees each for the Symposium. Nominations should be received here by 15 March and participants should, at the minimum, have a Secret clearance and a Background Investigation. Nominees should be able to speak for their respective departments and agencies in developing proposals for future SECOM involvement in the application of behavioral science to the personnel security program. Of course, if you want to nominate more than three participants, we shall make every effort to accommodate them.
